A perfect career for both men and women. Our program consists of three courses where students gain the skills required to work in early childhood education. Course content includes, but is not limited to:

- **Development Theories**
- **Field Observations**
- **Curriculum Planning**
- **Hands-on Experience**
- **Supervision**
- **Facilities Maintenance**
- **Business Practices**
- **Parental Involvement**

The competencies in these courses are aligned with the California High School Academic Content Standards and the California Career Technical Education Model Curriculum Standards.

U.S. Department of Labor Job Outlook:

Employment of childcare workers is projected to grow 5 percent from 2014 to 2024, about as fast as the average for all occupations. Overall job opportunities for childcare workers are expected to be favorable.
